

INHEALTH

Cardiac MRI Senior Radiographer - £36,000 plus

North, Midlands or South of UK

- 36 Hour a week (Monday – Sunday incl.)
- 27 Days Holiday
- Private Medical Care
- Company car or Car Allowance

Undertaking Cardiac MRI procedures efficiently and effectively for both the public and private sectors; adhering to best practice of radiographic technique. Providing expertise to ensure the appropriate triage, booking and examination of patients. Maintaining a high level of professionalism and technical standard of work, complying with relevant Codes of Practice.

Required Skills and Qualifications:

- BSc in Radiography or Diploma of the College of Radiographers or equivalent Registered with the Health Professions Council
- Minimum 1 year Cardiac MRI experience
- Current training in Basic Life Support
- Flexibility to work the shifts required
- Be prepared to undertake National travel and to stay away from home
- Be resident in an area which is reasonably commutable to the location of the role
- Eligibility to drive in the UK

We are committed to offering you the opportunity to do something you love, with the right support to access the roles you want, through clear career paths and best-in-class training and development. This is an environment where you have accountability for your career and are able to make a real contribution to the organisation and to our patients.

We are very proud to hold a Gold Investors in People accreditation, and proud that our people say that InHealth is a great place to work, with excellent packages and reward for achievement, no matter how small. The team is made up of committed, driven individuals who are passionate about ensuring that outstanding patient care is our highest priority.

We offer a highly competitive salary and a generous flexible benefits package, including private medical insurance, childcare vouchers, cycle to work and gym membership schemes. In addition, we are committed to offering on-going investment and support in professional development.

For more information please contact Tracy Coulson, Cardiac MRI Mobile Imaging Services Manager on 07920596758 or to apply for this role please send your CV to Kiren.bhogal@inhealthgroup.com
